May NMI Emphasis – Missionary Health Care - The cost of providing insurance for Nazarene missionaries is quite high. In fact, the cost for health insurance alone for a year is approximately \$1.9 million, and the costs continue to rise. Yet the Church of the Nazarene wants its missionaries to be able to serve and not worry about the next premium. Through your giving to the Memorial Roll, Distinguished Service Award, Gifts from the Heart, and Missionary Health Care, you helped offset approximately 23 percent of those insurance costs. Thank you!
