## June NMI Emphasis – World Mission Broadcast

Giving to World Mission Broadcast provides the means to reach millions around the world for Christ, providing the funding for program production, airtime, and follow-up materials. Holiness programming, by radio, television and the Internet, is reaching around the world with the message of Jesus. The prayer and financial support of individuals and local churches are vital to this broadcast ministry.

*...We have been astonished by the DVD's of the church services brought to us. We have been fed bountifully by the sermons, music, solo, hymns, and the communion elements and also by those who made it possible and took part each week. And then delivered to our door. God bless you abundantly for all your hard work and special skills used for Him.*

*...Diane & Faure Scott*

*...Dear Friends, Thank You for another wonderful service today. It really is a blessing to still be a part of the worship service with you folks. May God Bless You All! Thank You for a good message, Lynda! Have great week!*

*...Rhea Huey*

*...Want you to know how much I appreciate the time and effort every one of you put into doing the virtual sermons. Prayers for the pastoral team and everyone involved.*

*Judy Dean*

*...Greetings from Judy and Ed Smith in Columbia Missouri. If there is a positive that can be taken from this pandemic it is through technology we can attend multiple worship services including First Church of The Nazarene in Avon Park FL that we were fortunate enough to attend and enjoy the fellowship and hear God's word proclaimed by our Brother James and Lynda Boardman. Blessings on the church and the wonderful folks who make up the congregation there.*

*... Appreciated being a part of the morning service. Once again Betsy joined in with the singing of the Holy City... Mouthing the words and smiling, again as Brenda played.. And Amen as Pastor prayed. Being connected with Jesus No matter what... is a Blessing. Thank you.*

*...Sue Martin*
