The prayer and financial support of individuals and local churches are vital to this broadcast ministry. The offering will be collected on June 28.

## Church Service Center

*"Serving God... Serving People"*

We would like to thank you for your extremely generous donation of \$4,275.00 on June 7, 2020. As you are aware, this is a very hard and trying time with the Church, school and business closings. We feel God is answering our prayers and blessing us with the generosity of each and every donation received from our community.

With children home from school and many families losing jobs, this will allow us to purchase greatly needed items from the Heartland Food Bank to feed more of the very desperate families that may be out of work at this time. It will also allow us to help in our mission to assist the less fortunate with clothing and much needed financial assistance with rent and utility bills.

We sincerely appreciate your generosity and support for God's work so that we may continue reaching out to help others in our community.

God bless you and please keep us in your prayers.

Thomas W. Finneran, Executive Director Church Service Center
