Aug NMI Emphasis – LINKS. Participating missionaries are assigned to districts to help foster a personal connection between missionaries and the local church. A Links relationship fosters a sense of involvement with Nazarene Missions through regular correspondence from missionaries, updates from their field of service, and presentations by their Links missionary when they are on home assignment.

To the members and friends of our APNC family,

From the moment we walked into the sanctuary last Sunday morning and were greeted by the gorgeous, purple floral arrangement to the beautiful tributes from the congregation, to the special music, and to the district superintendent's message, it was awesome. Within the guidelines of covid, our stewards served a delicious and beautiful cake in take-home containers for all to share with us. Our heartfelt thanks and appreciation for the generous love gift from the board representing the congregation, the many cards, checks and cash, gift cards, emails, letters, and for the district superintendent's presentation of the Scott Stearman sculpture, "The Good Shepherd" to Pastor and district minister's license to Lynda. All of this was so meaningful to us. As we leave, we take you in our hearts and prayers and leave a piece of our hearts with you. Thank you for the privilege of being your pastors and friends for these six and one-half years. We will remember you and all the blessings we have shared. May God guide you and our successor to continue "Lifting up Christ on Main Street" is our prayer.

Blessed, Pastors James and Lynda Boardman
