NMI...AUGUST Emphasis – LINKS

Links is a network of personal connections between missionaries and Nazarene districts around the world.

Participating missionaries are assigned to districts and, then on the district level, connected to local churches. This gives each church an opportunity to become personally acquainted with a missionary family and their field of service. A Links relationship fosters a sense of involvement with the global mission’s enterprise of the church through regular correspondence from the missionaries, updates from their field, and even through deputation services while the missionaries are on home assignment.

If you are not on the text list for our prayer chain and would like to be, please submit your preferred text number to apnazarenechurch@gmail.com or call the church office: 863-453-4851.

If you would like to receive the weekly church email with links to the online Sunday School material, please send your preferred email address to apnazarenechurch@gmail.com. Thank you.
